Pason Systems Inc.

Pason Systems Inc. is a leading global provider of specialized data management systems for drilling rigs. Our solutions, which include data acquisition, wellsite reporting, remote communications, web-based information management, and analytics, enable collaboration between the rig and the office. Through Energy Toolbase (ETB), the company also provides products and services for the solar power and energy storage industry. ETB's solutions enable solar and energy storage developers to model, control and measure economics and performance of solar energy and storage projects. Pason's common shares trade on the Toronto Stock Exchange under the symbol PSI.
